BROOKLYN'S POLITICAL WAR.

McLaughlin Scores a Victory, but McCarren Is Not Cast Down.

New York, Oct. 21.—The two factions of Brooklyn Democrats which were drawn up in opposing lines on the indorsement of Grout and Farnes have hardly got over the effect of the contest in the county committee when on a straight division the followers of Hugh McLaughlin beat Senator Patrick H. McCarren's cohorts by seven votes and had the question of the indorsement of the comptroller and the president of the board of aldermen sent to a committee of fifteen to be appointed by the chairman.

The lieutenants of the veteran leader were jubilant. They called the victory the greatest in the history of fights in political organizations and said that it settled McCarren.

In the McCarren camp there was no such gloom, however, as comes with defeat. Sentiment, they said, won for McLaughlin—sentiment and some votes that were swung for the old leader in the final hours of the fight. They said it was a moral victory for the senator from the Williamsburg district and that the districts of many men who voted for McLaughlin would individually indorse the whole city ticket.

EXTRA SESSION CALLED.

President Roosevelt Issues His Expected Proclamation.

Washington, Oct. 21.—The president has issued the following proclamation:

Whereas, By the resolution of the senate of March 19, 1903, the approval by congress of the reciprocal commercial convention between the United States and the republic of Cuba, signed at Havana on Dec. 11, 1902, is necessary before the said convention shall take effect.

And whereas, it is important to the public interests of the United States that the said convention shall become operative as early as may be:

Now, therefore, I, Theodore Roosevelt, president of the United States of America, by virtue of the power vested in me by the constitution, do hereby proclaim and declare that an extraordinary occasion requires the convening of both houses of the congress of the United States at their respective chambers in the city of Washington on the 9th day of November next, at 12 o'clock noon, to the end that they may consider and determine whether the approval of the congress shall be given to the said convention.

All persons entitled to act as members of the Fifty-eighth congress are required to take notice of this proclamation. Given under my hand and the seal of the United States at Washington the 21st day of October in the year of our Lord one thousand nine hundred and three and of the independence of the United States the one hundred and twenty-eighth.

RECORD OF THE PAST.

No Stronger Evidence Can Be Had in Barre.

Look well to their record. What they have done many times in years gone by is the best guarantee for future results. Anyone with a bad back; any reader suffering from urinary troubles; from any kidney ills, will find in the following evidence proof that relief and cure is near at hand.

L. H. Hooker, contractor and builder of 101 Prospect St., says: "I doctored and used almost every known remedy for my kidneys, but nothing did me any good. There was a constant dull pain just over those organs, and I could not sit but a short time. For it made me so nervous that I had to get up and walk around. A kidney weakness which was very annoying and painful through the night existed, while in the morning there was a distressing retention. I was very bad when I heard of Doan's Kidney Pills. I got a box at E. A. Brown & Co's drug store, No. 48 North Main Street, Barre, Vermont, more out of curiosity than expecting results. Well, after using it, I felt so encouraged that I continued the treatment and took five boxes in all. I felt better in every way than I had for a number of years. I never used a medicine that did me as much good as Doan's Kidney Pills.

Doan's Kidney Pills are for sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
